

Pioneers of Utah and Lehi
July 10, 1932
From the Journal of Andrew Fjeld

In the original company of Pioneers which arrived July 24, 1847, were: 143 men, 3 women, 2 children, 73 wagons, 93 horses, 52 mules, 66 oxen, 19 cows, 17 dogs, 1 cannon & some chickens.

Two of these men later lived in Lehi: Tunis Rappleye and John W. Norton.

50 years later the Semi-Centennial Celebration Committee designated that all who came to Utah 1847 were Pioneers. Since that time it has been decided that all who came to Utah before the railroad (1869) were Pioneers.

Those in Lehi now living are:

1st Ward

“Sane” Thomas Stewart (died 1933)
